The image features a background of large, dark green tropical leaves, possibly Monstera, with prominent holes and veins. A diagonal band of a solid, muted olive-green color runs from the top-left towards the bottom-right, bisecting the leaf pattern. The text 'POZIK' is printed in a bold, white, serif font, positioned in the upper-left quadrant of the image, partially overlapping the leaf pattern and the diagonal band. Below it, the word 'GLASS' is written in a smaller, white, sans-serif font.
